

Bribery & Anti-corruption Policy

Curo complies with the Bribery Act 2010. One of our core values is integrity, so we are committed to responsible and fair business practices.

Our reputation for maintaining lawful business practices is of paramount importance. Curo, therefore, has a zero-tolerance policy towards bribery and corruption.

The objectives of our Bribery & Anti-corruption Policy are:

- To ensure compliance with anti-bribery laws, rules, and regulations;
- To help our staff understand the laws and risks associated with bribery; and
- To provide secure communication for reporting wrongdoing and take effective action.

Objectives will be achieved by applying current best practice in bribery & corruption management. Compliance with current legislation is therefore regarded as the absolute minimum standard acceptable.

Our Compliance Officer is Karen Field, CEO (email: karen.field@curoservices.com), who will answer any queries about this policy.
